UNIQUE EVENT SPACE

ERIS is a Chicago-based, woman-owned and -operated business inspired by the Greek goddess of Chaos.

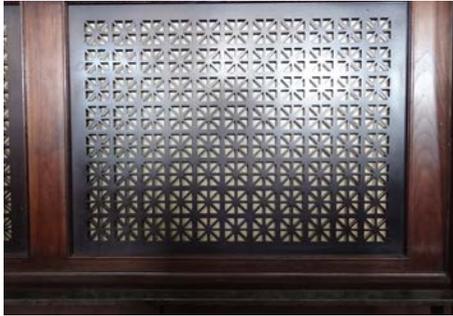

Built in 1910 as a Masonic Temple, the building underwent a substantial 20-month renovation. The renovation entailed significant structural changes in order to accommodate commercial use.

The interiors incorporate raw materials salvaged from the building, including radiators, structural wood, and steel. With massive windows flanking each side of the dining room, the result is a breathtaking space, uniquely ERIS yet still paying homage to the original architecture.

Floor plans can be configured for events that range from 20 to 250 people. Event spaces include:

LIQUIDS

How does ERIS stand out in a city with over 100 breweries? We not only brew great craft beer, we also blend hard cider. We use craft brewing tricks and a variety of adjuncts such as fruit, aroma hops, and botanicals to elevate the humble Michigan apple into cider for our guests' enjoyment. Beyond beer and cider, we also stock a full bar where we mix crowd-pleasing cocktails.

Creativity is foundational to ERIS, and there are no shortcuts. Only the craft of creation for your enjoyment. Beyond crafting liquids we also craft experiences for you and your guests.

FOOD

Our approach to food is to source local and cook fresh. As an upscale pub, we embrace big and bold flavors that pair well with craft beer and cider. We also offer a variety of vegetarian, vegan, and gluten-free food. Our vegan and gluten-free dishes are not afterthoughts, they are carefully planned as part of the culinary experience we provide. In addition to our savory fare, we can also satisfy your sweet tooth with dessert.

ADD-ONS

In addition to the great food and beverage, ERIS can also provide some fun additions for your event. We can partner with other amazing people to provide specialty cakes and desserts. If you have decorating ideas, our event professional will work with you to make them a reality. For example, we converted our gift shop area to a memory wall.

There are also some add-on ideas of our own. How would you like to have your own customized cider label? We can do that.

Howlers and Growlers

The ERIS howler or growler is a perfect take-home gift for your guests to enjoy a little bit of ERIS at home. They can be empty or filled with our house beer or cider.

Cans and 750mL Bottles

ERIS will can or bottle one of our available craft ciders of your choosing and create a customized label with a short message in honor of your event.

Tour

Your guests can take a tour tailored to the interest of your choosing. Architectural? Beer and cider making? You decide. During the tour guests will receive a 5oz cider pour. Done in groups of 15 people at a time.

THE FINE PRINT

The requested date of your event is considered tentative and therefore may be canceled by ERIS Brewery and Cider House at any time until a signed contract and deposit(s) are received.

A final guest headcount must be received 10 days before the scheduled event. If the headcount isn't provided, your final bill will be based on the number of guests listed on your signed party contract or the actual number of guests in attendance, whichever is greater.

Deposits are 25% of your contract subtotal and are nonrefundable if the event is canceled less than one month before the event date. Confirmed parties canceling the week prior or up until the day of the event will forfeit their deposit and will be assessed an additional fee that is equal to 25% of original contract to cover restaurant losses.

Payment is due immediately upon completion of the event. We accept major credit cards, corporate checks and cash for final payment.

NO glitter, confetti, silly string or helium balloons on premises, please.

All event hosts and guests must celebrate safely and responsibly. ERIS has a strict no-shots policy at private events. All underage private party guests must be clearly identifiable to management and staff. Guests may not display unruly behavior or show signs of intoxication. We reserve the right to refuse service or dismiss from our premises anyone who runs afoul of any of these policies.
